

Saville Assessment Wave® Performance 360

Professionals & Managers (INT, 2021) Group Description

This international group¹ consisted of 25,254 individuals², employed in a range of job functions across a wide range of industry sectors. 68% worked in sales and marketing, operations, IT and engineering, finance, executive roles, administration, health and human resources. The remaining 32% worked in other fields including customer service, line management, construction and consulting³.

The norm group was based on a combination of all raters, including self and other raters. The breakdown for the two rater categories, Self and Other raters, is provided below (with response rates for each biographical section given in the footnotes):

Self raters

The sample consisted of 2,203 professionals and managers who rated themselves on the questionnaire.

Gender⁴

35% of the group were female, 65% were male and less than 1% responded with 'not specified'.
